The film's soundtrack was composed by Shantanu Moitra. The film is a suspense thriller based on one of the most popular Kannada television serial, Agni Pareekshe on Zee Kannada. Plot The film opens with a man being seen coming back home from the jungle at night. He is introduced as Vicky. His wife Devika is admitted to the hospital. The doctor tells Vicky that she will have to undergo an operation. Vicky has returned home after a hunting trip in the jungle. When Devika does not receive any calls from her husband, she informs her friend Malli. Vicky then calls Malli, and tells her that he has to go back to the jungle, and will return in the next one or two days. When he returns home, he comes across the same intruder whom he saw in the opening scenes. It is revealed that this intruder is Vicky's childhood friend, Subramanya. Vicky's parents were killed in an accident while he was a child. He was brought up by his mother and his grandfather. He returned from the jungle, to which he had gone to hunt, when he was in his teens. He had made a vow to kill his grandfather in revenge for his parents' death. The same person is shown coming back from the jungle, and wearing similar clothes as those Vicky was seen wearing. He calls himself Ramana, and says that he has a past connection with Vicky. Malli and Vicky go to the hospital, to which Devika is taken. She is in the operating theatre, and is told that she will have to undergo a heart transplant. Vicky is asked to identify the donor, and he does so, revealing it to be Devika. After some time, she becomes unconscious, and dies. The news reaches Vicky, who tells Malli that he killed her, and that he hid her corpse in the jungle. He also reveals that he had killed her husband, whom he was in love with, in the same jungle. Vicky calls up his childhood friend, Prakash. They were in the same village school, and the two got in to a fight over a girl, Rani, when they were 12 years old. Prakash was angry at Vicky, and spat on him. Vicky felt humiliated, and decided to kill Prakash. He called up his friend, Raghav, and told him to come over. They killed 82157476af
